From: NEW YORK

To: MOSCOW

No: 1314

14 September 1944

To VIKTOR[i].

Until recently GNOM[ii] was paid only the expenses connected with his coming to TYRE [TIR][iii]. Judging by an appraisal of the material received and the rest [1 group garbled] sent by us GNOM deserves renumeration for material no less valuable than that given by the rest of the members of LIBERAL's[iv] group who were given a bonus by you. Please agree to paying him 500 dollars.
